Hancie Naylor who for 33 years was a teacher at the Campbell Union Grammar School, returned Friday night to her home on Alice street after ten months in El Salvador where she was on the staff of a bi-lingual school headed by Paul Becker, also a former Campbell teacher.

Miss Naylor said Salvador and Guatemala are very interesting places, but that living conditions are quite different from those in America. She will remain here until late in January when she returns to the Central American school.

Miss Naylor retired in 1953 and resided with her sister, Mrs. Jessie Boyrie until leaving for El Salvador.

ALL HOUSES MAY BE RE-NUMBERED

Whether a new set of house numbers will be set up in Campbell or steps taken to bring the system now in use up to date, will be considered December 15 when the Campbell Planners meet to consider a resolution to be prepared by Nestor Barrett, planning consultant. Zarrett told the Planners last Thursday that the postal department had given a directive to Ira Grim, postmaster to discontinue issuing house numbers, the city council then giving the assignment to the Planning Commission.

Barrett proposed that there be 1000 numbers per mile irrespective of block endings, the numbering to start from Campbell avenue and from Winchester Road in each direction. In this matter, Barrett pointed out a motorist can easily locate a house by the car speedometer. He said numbering has been changed twice previously in Campbell. Barrett commended Postmaster Grim for having made an honest effort to issue numbers in a rapidly developing city. If the mile-system is used, it will inconvenience some people who have stationery already printed, especially so in the business section. He proposed that there be some area down town not to be so changed where this inconvenience might be most acute if enacted.

Planners deferred action on application of Dr. Glen Stoops seeking to rezone as commercial his home property on north Winchester Road. Represented by Paul Gallagher, it was pointed out that Dr. Robert Wade would take over the house as office headquarters but would probably not reside there. Gallagher said if a variance could be granted, the rezoning would not be necessary. Planners decided this called for an opinion from the city attorney and set December 1 for a continuation of the hearing.

Bert Simmons spoke against rezoning as also was expressed in a letter from G. A. Lathrop, both contending this would be spot zoning. Other neighbors present expressed no opposition.

Planners approved an off-street parking variance for E. A. and E. R. Garrison, and granted architectural approval to plans for seven shops on the east side of Winchester Road, north of Latimer avenue.

James Mack of 2033 El Camino Real, Palo Alto spoke in behalf of the proposed variance for 20 lots in the Sara Sun Development which variance was granted subject to engineer's restrictions.

Action on the tentative map of Sunnybrook subdivision was deferred until all factors are presented at the December 1 meeting.

Ace Hi-Y Boys To Help Church With Building

Fourteen Campbell High School boys, members of the Ace Hi-Y Club will roll up their sleeves early Saturday morning and give a full day of unskilled labor at the new Congregational Church site on West Campbell avenue. Steve Dunn, president of the club said today the group is doing this to help the church defray costs.

This is the second service project recently undertaken by the group. They turned over $35 to the YMCA building fund at San Jose, representing net profit from sale of fire extinguishers.

Ace Hi-Y Club of Campbell High School has been singularly honored in that one of its members, Steve Hunter has been named to the office of President pro-tem of the State Senate in the model legislature at Sacramento next February 23-25, a Youth in Government project that is sponsored by the YMCA of California.

Other members of the club besides Dunn and Hunter are Ronald Reeder, David Andre, Britt Finley, Mike Scroggins, Larry Meritt, John Duncan, Jr., Pat Franco, James Omura, Robert Young, Conrad Kersey, Mel Arnaud, James Mitchell and John Davis.

FORMER BUCS TO SPARK MANY COLLEGE TEAMS IN 1956 SEASON

Stanford University winning the annual big bame from U. C. last Saturday and ending the season as one of the strongest teams on the Pacific Coast will likely be a favorite for Rose Bowl honors in 1956, according to experts, and Campbell will likely have two former Bucs on this team. They are Tony Schraub who was on the Stanford Frosh team in 1955 and an All-SCVAL selection in 1954, and Eric Protiva who made the 1955 Stanford varsity team but was unable to play because of early season injuries. Coach Taylor had indicated Protiva would be on a starting lineup.

Up in Corvallis, Oregon, playing for Oregon State College will be Gary Lukehart, Jim Rylie and Wally Koonts while at U. C. Dick Kolte is one of Pappy Waldorf's hopefuls for 1956. The San Jose Spartans may use Eppie Gallego as quarterback for 1956. All these players except Protiva are from championship 1954 team in Campbell.

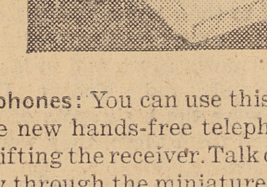
Christmas gifts everyone in your family will enjoy

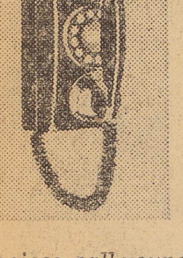
Time sure flies, and Christmas is almost here again. So why not take a minute out right now and go Christmas shopping for your family. Below are some of the telephone gifts from which you can choose. They'll bring new pleasure to your home not just at Christmastime but every day of the year.



Color phones: For added beauty and convenience in every room you use a lot. Come in red, ivory, brown, green . . . blue, beige, yellow, or gray. Also in two-tone combinations. Mom, especially, would be pleased with an attractive gift like this.

Speakerphones: You can use this remarkable new hands-free telephone without lifting the receiver. Talk conveniently through the miniature microphone. Hear at a distance through the loudspeaker. Can be used like any other phone, too.

Illuminated dials: When you lift the receiver of this special telephone, the dial lights up automatically. Dialing is easy for you even in total darkness. Just the thing for bedrooms and any other dimly lit place.



Wall phones: Here's something no modern kitchen should be without. Dad would find a wall phone handy in his workshop, too. It's "out-of-way" when you're working yet is always easy to reach. Take your choice of attractive colors.

These are just a few of the things now available to make your telephone still more useful and attractive. When you've made your choices, call your telephone business office and talk it over. You'll be surprised how little it costs to give these unusual yet extremely practical gifts. And if you call now, you'll be sure to have them in plenty of time for Christmas.

SANTA CLARA WINS, 26 - 14 FROM BUCS

By Steve Dunn

The Santa Clara Panthers executed the SCVAL upset of the year last Friday on the Buc turf, as they combined an inspired performance on their part with all around poor playing by the Bucs, to overcome the Campbell High Buccaneers by the score of 26-14. The Bucs have now on alternate Fridays, risen to a peak, beating Lick, 25-6, and a low, being trounced by the Panthers, 26-14. The local eleven was guilty of sloppy blocking and tackling and two costly fumbles.

However, the game proved to be of no chamionship significance, for Fremont managed to tie James Lick, thus giving the Indians a record of five wins, and one tie and undisputed possession of the league crown. Needing to win, the James Lick Comets failed and finished in second with 4 wins, 1 loss and 1 tie. Santa Clara and Campbell now have respective records of 4 and 2 and 3 and 2.

The Bucs drew first blood in the contest. Russ Cahill received the kickoff and carried to the 35 yard line. From this point Campbell marched 65 yards in 10 plays. Cahill plunged the final 4 yards for the TD. Most of the yardage in the drive was accounted for by two Jerry Sutton passes to Bud Scribner which gained 38 yards. Jim Corbus converted, and the Bucs led 7-0.

The ensuing kickoff was a poor one carrying only to the 47 of Santa Clara. In four running plays, one a 15 yarder by fullback Bob Lister, the ball was down to the 33 yard line of Campbell. Here the Panthers surprised the Bucs, as left end John Fernandes was sprung into the open and received a long pass from quarterback Ray Elkins to score six points. The conversion was missed leaving the score 7-6.

With less than three minutes to play in the second half, the Panthers were given a break. Jerry Sutton, punting from his own 30, got off a very poor kick which carried only to the 37 yard line of Campbell. In four plays, Santa Clara drove over for the touchdown. Manuel Freitas, whose running was the greatest thorn in the Buc side, carried for 31 of the 37 yards. He went the final six yards to score the six points. The conversion again was missed; so, with only 45 seconds remaining in the half, the Panthers led by 12-17.

On the next kickoff the ball was fumbled, and Santa Clara gained possession on the Buc 38. After a 19 gain by Freitas, the Elkins to Fernandes pass combination again accounted for a touchdown. With 1 second to play, the conversion was made, making the 19-7.

Another fumble by Campbell, this time on a punt at the Buc 39, set up on insurance TD for the Panthers, early in the third quarter. Five plays took the ball to the three, giving a first down to Santa Clara. At this point the Bucs made a beautiful goal line stand; however, on fourth down, Lister plunged the final two feet for the score. This made it 26-7.

The scoring for the day was completed, as Campbell took over the pigskin with 30 seconds to play in the game. Jim Corbus unleashed a long 28 yard pass which Tony LoBue hauled in for a touchdown in the end zone. Corbus converted, and the final score read: Santa Clara 26, Campbell 14.

In summarization of the game, the Bucs met a fired-up team, against whom mistakes could not be made. Regretably, Campbell seemed to be looking ahead to the Thanksgiving game with hated rival, Los Gatos, and made game losing blunders. Los Gatos also came out on the short end of the score last Friday, losing to Montain View, 32-6.

The upcoming Buc-Cat game should be exciting. However, the Bucs will be doubly tough after losing to Santa Clara;

EVERYONE Seems to be getting ready for Christmas . . . the churches with bazaars, the schools with programs, the stores with window dressings, the Chamber of Commerce with street lights, the little folks with visions of Santa Claus and the corner lots where trees are to be sold . . . usually happens that way soon as Thanksgiving comes along . . . ladies of the Campbell Methodist Church are making all sorts of glitter articles for their Christmas bazaar as are also the ladies of the Blossom Valley Garden Club in Cambrian Park.

HOURS OF WORK Have been going on at the Campbell Press in the last few weeks preparatory to setting up another newspaper press to replace the four-pager that has been in use, and which last Friday was shipped to Oregon to continue its use . . the Press has outgrown the old equipment and now has an eight page, 8-column size Goss Comet which will print and fold to 3500 papers per hour when everything is in time, which usually comes about after a few runs . . founded in 1895, the Press first came off a jobber that was pumped with a foot treadle, later going to a small drum cylinder for two pages and then to four pages before this latest step . . . erector is from the Goss Printing press factory in Chicago, who has an interesting career having recently returned from having installed a press at Guam, and before that having taken down one of the world's largest printing presses that had been used to print the Reader's Digest, to be set up in England, a press that cost several million dollars, that's right, million . . . but even with the best of help about, a press is inclined to be temperamental and balk until everything is in proper adjustment . . . we felt rather proud of putting in a similar press one time at San Carlos and took the liberty of announcing the fact in an early issue, so when press time came there was at least 25 kabitzers showed up just to see it at work, and there was nothing that seemed to go right and three pressmen worked until three in the morning trying to get the run off, finally giving up and I had to go to Burlingame with the forms to get the paper off for the mails . . . any kabitzers coming about this time are promptly put to work.

SIGHTEMS . . . notice for a rocking horse from anyone to be set up in the Congregational church nureery . . . the harness shop at the Main street bazaar that got the eyes of the men last Friday . . . the rainfall chart in the window of the Campbell Water Works maintained day by day by Ralph Hyde.

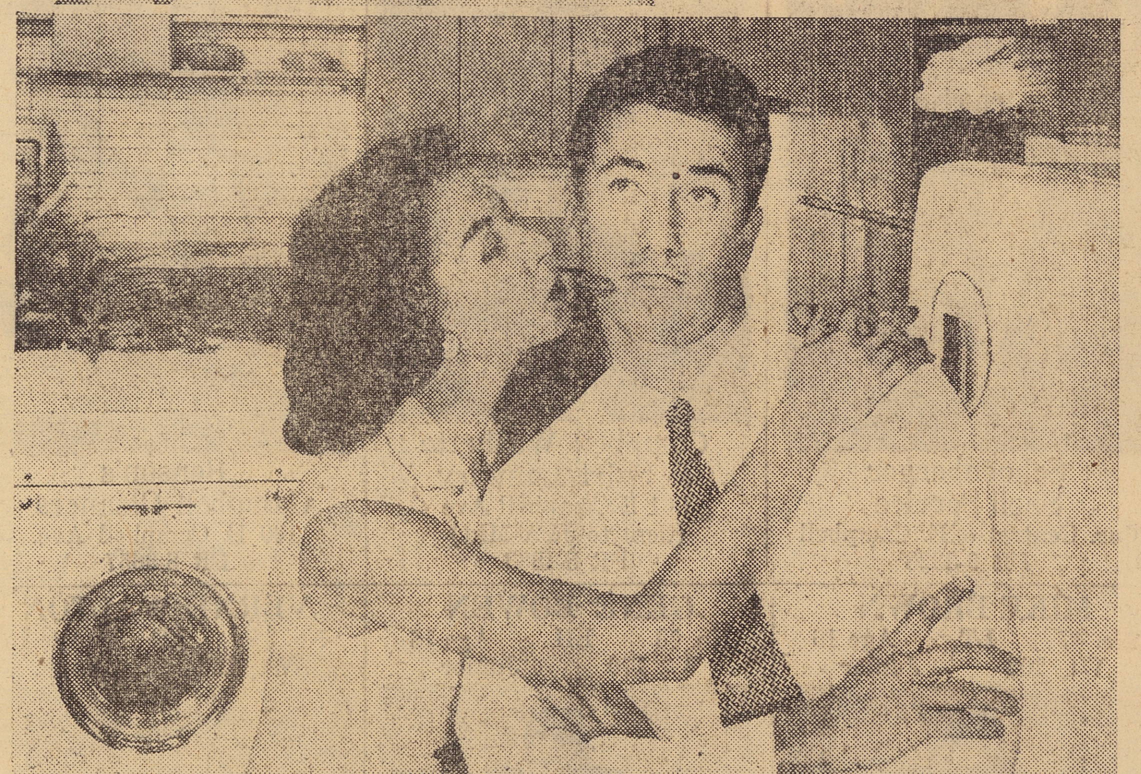
"I thought I couldn't do anything about my wife's 'washday blues'...



"and then I got her an automatic dryer!"

Oh, the difference a dryer can make in a woman's washday mood! Gone is the back-breaking work—the lugging and stooping, the pinning-up and taking-in. All the lady does is cheerfully drop the clothes in the dryer—and in less than an hour, they're fluffy dry. Or ready for ironing, if she prefers. A dryer makes good budget sense, too. With P. G. and E.'s low rates, it runs for pennies a week. Does *your* wife still get the washday blues? Then see your appliance dealer about *your* new automatic dryer, today!

Campbell Fielded First Team In '34

The powerful Campbell teams of 1952, 1953 and 1954 have come a long way since the school started football in 1934 when the Buccaneers fielded its first squad and played an informal schedule.

In that year the league was composed of Los Gatos, Fremont, Mt. View and Santa Clara. Campbell joined a couple of years later, Washington came into the SCVAL in 1936 and James Lick, the newest member, started in 1951.

Campbell's first team played Los Gatos' junior varsity which won a close game, 6 to 0.

In the game last year played in Campbell the Bucs won 44 to 12 with Eppie Gallego, diminutive Buc quarterback carrying the ball 33 yards in six plays. There was a crowd of 4000 on hand to see the game which brought the SCVAL title to Campbell.

49er Billy Wilson Led Bucs To Win

Billy Wilson, now an end with the San Francisco 49er professional football team, caught touchdown passes in 1944 to give Campbell the double thrill of beating Los Gatos for the first time, 25 to 13, and to help the Buccaneers win their first Santa Clara Valley Athletic League championship.

Los Gatos scores came on an end sweep by Dick Mariotto and a pass, Bill Moore to John Sanchez. Also in the Los Gatos lineup were Bob Palla, Carl Nicholson, Charles Smith, Floyd Hurney, Dick Adams, Wesley Briggs and Jack Spellman.

SKIN THE CATS!

"Skin the Cats" is the cry going up in Campbell today as the Bucs get ready for the 1955 football classic at Los Gatos to wind up the season. This is the annual battle between these two rivals and brings together the largest crowd of the year for a game starting at 11 a. m.
